

HPC solutions by Dell

Le esperienze di due Atenei Europei: Napoli Federico II e Cambridge
The experiences of two European Universities: Federico II and Cambridge

5 MAGGIO 2011

COMPLESSO UNIVERSITARIO MONTE SANT'ANGELO - SALA AZZURRA

09:15-10.00 *Welcome coffee & participants registration*

10:00-10.15 *Welcome addresses*

Prof. Roberto Pettorino, Preside Facoltà Scienze Matematiche e Fisiche

10:15-10:30 *Keynote*

Prof. Leonardo Merola, Presidente Comitato tecnico Scope

10:30-11:00 *Dell approach to HPC*

Dell

11.05-11.35 *What we do and what we will do with HPC in Naples*

Prof. Guido Russo, Federico II

11.35-12.05 *The Dell | Cambridge HPC Solution Centre*

Paul Calleja, Head of HPC Services, University of Cambridge

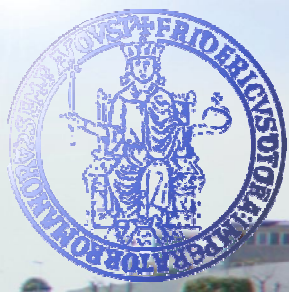

12.05-12.35 *Dell Storage for HPC environments*

Paolo Bianco, Storage Specialist, Dell

12.35-13.30 **LUNCH**

13.30-14.00

HPC industry trends and Intel's approach
Intel

14.00-14.20

GPU technology in heterogeneous HPC clusters
Edmondo Orlotti, HPC Business Development Manager, NVidia

14:20-14:40

Network Converged Fabrics for Cloud and HPC
Nir Gal, EMEA Field Application Engineer Manager, Mellanox

14:40-15:00

Closure
Dell Country manager

15.00-16.00

SCoPE HPC Data Center guided tour
